

Review of: "Conundrums of the Liquidity Determinants of Commercial Banks in Ethiopia"

Dr. Syed Mohammad Khaled Rahman

Potential competing interests: No potential competing interests to declare.

1. Hypothesis-1 should be aligned with previous research findings
2. Sufficient empirical research work should be reviewed before developing hypothesis 10.
3. What sampling technique has been applied to select 15 banks?
4. According to correlation matrix, multicollinearity exists between ROA and CA. This problem should be solved.
