

# Review of: "Redefining Office Interactions for a Thriving Employee Experience"

Muralidhar Kurni

**Potential competing interests:** No potential competing interests to declare.

- Consider integrating more detailed examples from the case study to illustrate key points.
- Streamline repetitive content in the literature review for better coherence.
- Provide additional information on the interview and observation methods to enhance transparency.
- Address study limitations and future research directions in greater detail.

Overall, this paper offers significant insights into redesigning office interactions and provides a valuable framework for enhancing employee experience in the hybrid work environment.
