

# Review of: "[Case Report] Occlusive Syndrome by Internal Transmesosigmoid Hernia: A Case Report and Review of the Literature"

Hamna Naeem

Potential competing interests: No potential competing interests to declare.

Grammatical mistakes are being noted frequently. Instead of writing "we report on," it should be "we report an 80", or "Our study was based on an 80 ..."

Also, needs to be a bit more thorough with organization.

Good efforts overall.
