**Potential competing interests:** No potential competing interests to declare.

**Abstract:** There is a need to be clear on the SDGs that you are focusing on, and if you are looking at all the SDGs, be clear as well.

There is a need to also state the methods used in your study.

**Results and Discussion:**

You might need to move the description of the study area section to the introductory part of your paper.

Re-align your Figure 2 as some figures are no longer clear.
