**Potential competing interests:** No potential competing interests to declare.

The following should be noted and corrected accordingly:

1. How practicable is your proposed model in real time?
2. Is it cost-efficient?
3. Grammar requires minor re-editing, especially the Introduction and Abstract.
4. The main contributions should be listed in the Introduction.
5. The Introduction should contain the organization of the study.
6. The last section should be a Conclusion.
