Dear Author

your sample size is perfect this give your article some superiority but however you need to write ethical regulations are the article follow any ethical guidelines ??

regarding the references there are many old references most academic researchers prefer to cite articles that updated information in this regards i suggest to cite new references

check my article if you found some of them suitable for citations .

1. Al-hussaniy HA, AL-Biati HA. The Role of Leptin Hormone, Neuropeptide Y, Ghrelin and Leptin/Ghrelin ratio in Obesogenesis. *Medical and Pharmaceutical Journal*. 2022;1(2):52-63.
2. Altalebi RR, Al-Hussaniy HA, Al-Tameemi ZS, Al-Zobaidy MA, Albu-Rghaif AH, Alkuraishy HM, Hedeab GM, Azam F, Al-Samydai AM, Najj MA. Non-alcoholic fatty liver disease: relation to juvenile obesity, lipid profile, and hepatic enzymes. *Journal of Medicine and Life*. 2023 ;16(1):42.
3. Al-hussaniy HA, Altalebi RR, Tylor FM, Naj MA, Kadhim ZS, Abu-rghaif AH. Leptin Hormone: In Brief. *Medical and Pharmaceutical Journal*. 2022 May 28;1(1):1-3.
4. Al-hussaniy HA, Al-Shammari AH, Sameer HN, Oraibi AI. The relationship between statin therapy and adipocytokine/inflammatory mediators in dyslipidemic nondiabetic patients: A comparative study. *Pharmacia*. 2023 Jul 8;70(3):581-5.
