Dear Editor,

Thank you for providing the opportunity to review this manuscript.

The study was described precisely and in a detailed manner. Can be accepted after making minor modifications.

Following minor modifications are required,

1. Under procedures, the name of the departmental ethics committee is must to be mentioned with the unique reference number issued by the ethics committee.
2. Are the translated questionnaires validated? Have these questionnaires undergone S-CVI and I-CVI ?
3. Strengths and limitations of the study can be added before future study recommendations.
4. Cross-references can be discussed in one paragraph with the present study under discussion.
