

# Review of: "Design and Molecular Screening of Various Compounds by Molecular Docking as BACE-1 Inhibitors"

Chinmayi Joshi

**Potential competing interests:** No potential competing interests to declare.

1. Grammar should be checked in the whole manuscript.
2. MD simulation studies of top compounds should be included.
3. In the introduction section, the definition of the problem and the current status of relevant studies should be discussed.
4. Comparison of your results with other studies should be included in the paper.
