Potential competing interests: No potential competing interests to declare.

(a) Introduction and Problem Statement

=> the author did not discuss the related issues, in particular, those that need to be in line with research objectives.

(b) Research Objectives

=> not aligned with the SMART concept (**Specific, Measurable, Achievable, Relevant, and Time-Bound**).

(c) Methodology

=> **too brief and has no justification to make decisions, e.g., sample size.**

(d) Findings

=> **some do not reflect the research objectives.**

(e) Discussion

=> **not all findings are discussed.**
