Dear Author, Manuscript entitled "Appraisal of the UN Sustainable Development Goals: A Look Back and a Way Forward" was in need of attention, and your suggestions are welcome.

Myself appreciates the work done by the author regarding all SDG goals. Also, the author needs to ensure that the practical difficulties to implement these suggestions are addressed and recommended for publication in the journal.

The author needs to provide the following in detail

- Can you provide specific examples of practical difficulties in implementing the suggested SDG strategies?
- Strengths and weaknesses of the analysis provided in the article should elaborate more on practical implementation.

Thank you for the opportunity.
