

Review of: "Using the Altman Z-Score Model to Forecast the Financial Distress of a Subset of NIFTY 50 Companies in the Indian Stock Market"

Bahrawar Said¹

¹ University of Pittsburgh

Potential competing interests: No potential competing interests to declare.

Introduction:

The introduction is short, please provide a little more introduction to the paper. Add citation to the first paragraph..... sentence ending is: subsequent recession (Said et al., 2022 and Rehman and Said, 2019). Next in this paragraph provide a citation to In light of the global financial crisis (Raza et al., 2022).

Literature Review:

Follow the APA style in the fourth and fifth paragraphs of the literature for citing other work. Add more literature to this section that will lead to a more comprehensive literature review.

Research Methodology:

Provide a reason for selecting Nifty 50 companies.

Why study select this specific sector of finance?

Why the research uses this short time period of 2022-2023 for the study?

Conclusion:

Provide the main message and a few implications.

References: Add all these relevant references.
